The screenshot shows the Marushka web application interface. It features a top navigation bar with buttons for 'Přehledka', 'Katastrální mapa', 'Katastrální mapa + ortofoto', 'Mapa poz. katastru', and 'Mapa poz. katastru + ortofoto'. A central pop-up window titled 'Měření plochy a obvodu' (Area and Perimeter Measurement) displays the following data for the selected plot:

- Plocha: 5007.14 m²
- Obvod: 307.68 m
- Povinná délka(m):

The map shows the plot with yellow boundary lines and dimensions: 47.06 m, 46.47 m, and 4106.86 m. The plot area is labeled '5007.14 m²'. The interface includes a search bar, a legend, and a scale bar at the bottom left.
